

Date: November 26th, 2017

General Info/Special Events:

- Typically at this time in the year, report cards are sent home. As you know, all schools have switched to using PowerTeacher Pro. However, once our training session is completed on December 6th and 7th, we will begin providing access to this information through the PowerSchool Parent Portal. You may be receiving notifications that information has been added to your child's profile while teachers are setting up their class information, however, the portal will open after our next training sessions. Please see the letter sent home on Friday for more detailed information.
- We are very excited to have Calgary based magician, Steve Harmer, join us at OES on Monday, November 27 at 9:30am. Steve is a Professional Educator and Professional Magician and entertainer. He uses magic, juggling, music and so much more to inspire, educate and motivate children and adults. This years presentation will be focused around resilience. We invite you to join us on Monday in the large gym and be part of what is sure to be an unforgettable event.
- Junior ATB is open for deposits Tuesday, November 28 during the lunch hour.
- We have added a new page to our website called "OES Today". This page is updated daily with the morning announcement that is delivered to the students every morning by the Grade 7 Leadership team. The announcement is used to deliver important events happening that day as well as fun, interesting items to promote school spirit .
