

Dear Parents/ Guardians,

We are pleased to announce that our counselor, Ms. Charmaine Sandulac, will once again be offering the RAINBOWS program. This program is designed to foster emotional healing among children grieving a loss from a life-altering crisis. These losses, among others, include separation, divorce, incarceration, death and foster care.

Ms. Sandulac will work with small groups of students within a close age range to assist them with processing their feelings, building self-esteem and learning positive coping tools. The program will consist of twelve meetings; 30 - 60 minutes in length depending on the age of the participants.

If your child has experienced a loss and would benefit from this program, please complete the attached form and return it to the school office.

I am interested in having my child(ren) participate in the Rainbows Program.
