## **National Indigenous Peoples Day Friday, June 21**

All grade 7 students will join Grasmere, Rich Valley, and Darwell grade 7's to participate in events for the day with the grade 8 classes at OJSH.

Our K-6 students will participate in activities throughout the day, including playing Indigenous games, an APPLE schools taste test at lunch, and the option to participate in a Smudging ceremony outside to begin our day.

Our teachers are working on class lists as we begin planning for the 24.25 school year.

Our teachers carefully develop balanced and inclusive classes to provide a supportive learning environment for all students. We remind families that all of our teachers diligently meet their students' needs and work collaboratively on planning, assessment, and in-class activities.

Class lists are created to grow your child's experiences socially, academically, and emotionally. Each year allows students to build new peer groups, make connections within the school community, and connect with new teachers.

Our staffing assignments are determined for next year, but adjustments may be needed depending on unexpected changes and enrolments. If you have a class request, please email [jody.taylor@ngps.ca](mailto:jody.taylor@ngps.ca). While these requests are considered, they are one aspect of the process we use to create balanced and inclusive classes.
