### HIGHLIGHTS

November has been a month filled with memorable moments! We gathered for our Remembrance Day Assembly, joined by members of the Legion, who honored us with their presence and awarded many of our talented students in the Legion's Remembrance Day literary contest. We're so proud of our amazing winners! Last week, we hosted Parent-Teacher Interviews alongside a fantastic Book Fair that brought families together to celebrate reading. And a big thank you to our Parent Council for organizing the always-popular Hot Dog and Smoothie Days—what a treat for everyone!

### GETTING INVOLVED

We'd love for families to join us for our Assembly on November 28th! We'll be highlighting our focus of the month, Humility, and celebrating our wonderful students. It's always a joy to have as many families as possible there to share in the excitement! Our School Council is also looking for amazing volunteers to help with Hot Lunch and Hot Dog/Smoothie Days—if you're interested in lending a hand, please reach out to [oescouncil@gmail.com](mailto:oescouncil@gmail.com).

Various Remembrance Day activities throughout the last few weeks!

### OES SNAPSHOTS

Here are some snapshots capturing the wonderful activities and events happening throughout November!

## DID YOU KNOW?

Did you know that regular school attendance is one of the strongest predictors of student success? Studies show that students who attend school consistently build better academic skills, have stronger social connections, and are more likely to graduate. Each day in school is an opportunity for growth, learning, and developing important habits that contribute to a bright future. Let's work together to make every day count! Thank you to all the parents and students who supported our Scholastic Book Fair. We managed to raise over \$3500.00 in new books and material for our library. Your support is truly appreciated.
