BEGINNING JANUARY HIGHLIGHTS

We have had an exciting start to January at OES. Our Grade 4 and Grade 6 students began their swimming lessons, gaining confidence and essential water safety skills. We also hosted the Grade 7-9 basketball tournament at OES and OJSH, where our students showcased incredible teamwork, sportsmanship, and talent on the court. Thank you for your ongoing support in making these opportunities so meaningful for our students! Please check out the calendar for more exciting things happening throughout the remainder of the month!

Our Grade 6 students participated in an engaging Inside Education in-school field trip focused on climate change. Through hands-on activities and interactive discussions, they explored the science behind climate change and its impact on our world, fostering curiosity and critical thinking.
