HIGHLIGHTS

January was an exciting and activity-packed month at Onoway Elementary School! We kicked off our first Parent Information Night on Resiliency, hosted by Heather Rampling, which was a great success. We're excited to continue the series this month with "ADHD Uncovered." This month also featured two school-wide assemblies, including a rescheduled December assembly and our January gathering. Both events celebrated students who demonstrated the core values of Honesty and Respect.

Our students fully embraced winter with a variety of outdoor activities, including cross-country skiing, snowshoeing, and tobogganing, making the most of the snowy season. We also welcomed a new member to our teaching team, Ms. Petrie, who has already made wonderful connections with students and staff. Additionally, our grade 7 students from Grasmere, Darwell, and Rich Valley began their second round of CTF (Career and Technology Foundations) options, exploring hands-on learning opportunities and new experiences.

We're so proud of all the incredible things happening in our school community and can't wait to see what February brings!

School Spirit

SPIRIT WEAR!

Thanks to the incredible efforts of our School Council for their successful fundraising and grants, every student at Oneway Elementary now has their own OES shirt! This initiative has fostered school spirit, unity, and pride across our community. Seeing students proudly wearing their shirts has brought so much excitement to our hallways. A huge thank you to our School Council and everyone who contributed to making this possible. Together, we proudly wear our OES pride!
