LEGO ROBOTICS CLUB

The Lego Robotics team challenged their creations at the Central Alberta Lego Robotics meet where they claimed The Motivation Award! Congratulations team and thanks Mrs. Lapachuk for your dedication!

HIGHLIGHTS

The past few weeks at school have been filled with exciting activities and learning opportunities! Our Grade 7 students participated in CTF week, joining peers from Grasmere, Rich Valley, Darwell to explore engaging options like Cupcake Wars, Woodworking, Indigenous Arts, Advanced Technologies, Photography, and Mixed Media. Grade 4 and 6 students enjoyed their swimming lessons, building confidence in the water. Meanwhile, our Candy Gram sale spread kindness and sweet treats throughout the school. With the cold weather causing some bus cancellations, we're all hoping for some warmer days ahead! In the meantime, come prepared in all your winter gear!

SPORTS CORNER

Basketball fees are posted on School cash online. Please pay these as soon as possible. The money goes towards our tournaments.
