HIGHLIGHTS

March was filled with exciting events at Onoway Elementary! Our Grade 7s enjoyed a curling trip, and parents engaged in both Parent-Teacher Interviews and our ADHD Information Session. We strengthened connections through our Community Connections event and saw great teamwork in the Grade 6 basketball tournament.

We also launched our very own OES Student Council, holding our first meeting to gather student input on important topics like *What makes OES a happy place?* and *How we can make our school more inclusive?*

A special highlight was our Elderbeary Day Tea, where elders gathered with their grandchildren for a heartwarming celebration.

Wishing everyone a wonderful Spring Break! See you soon!
